MAGNOLIA NEWS NOTES.

Interesting School Entertainment—Other
Items of Local Interest.

Magnolia, S. C., Nov. 27.—The en-
tertainment at the graded school in
this place, to which the children, little
and big, looked forward to with so
much interest and pleasure and with
such fond anticipations on the night
preceding that of Thanksgiving Day,
in consequence of the exceedingly
inclement weather was postponed until
last night, and although the weather
was bitter cold with a stiff icy breeze,
the spacious room was filled to its
utmost capacity with people, old
and young, of appreciation and capable
of judging for themselves. Those
who expected something ordinary or
common-place were indeed agreeably
surprised. The entertainment did
credit to the community, credit to the
pupils, and still greater credit to the
efficient and up-to-date teachers, Pro-
fessor Brunson and Misses Clark and
Farley. These teachers certainly
possess all the requisites their positions
require, and it would be difficult to
say too many nice things about them.
There was not a jar or ripple in the
execution of the program, and the
patrons and all others interested in
the cause of education were delighted
and the community proud of the
management of their graded school.
The following is the program:

Prayer by Rev. T. M. Dent.
Thanksgiving Draweth Near—Song
by Chorus.

Thanksgiving—Maggie Frierson.
The Home Festival—Sue Kirby.
What I Am Thankful For—Lionie
Gamble.

Outside And In—Annie McIntosh,
Annie Griffin and Lucile Mathews.
Tom's Thanksgiving—J. D. Clark.
A Girl's View—Thelma Clark.

Thanksgiving Dance—By 18 Pri-
mary Children.
Why He Wouldn't Die—Wilbur Dent.

Landing of the Pilgrims—Maude
Skinner.
Dialogue, Children at Recess After
Thanksgiving.

Picture—Eddie Clark.
The Jack-o-Lantern—Maggie Frierson.

Old Thanksgiving Time—Chorus.
Play. (A Thanksgiving Exercise 7
of the pupils taking part.)—Wilbur
Dent, Ernest McFadden, Walton
Boyle, Fannie Stokes, Kittie Boyle,
Besie Cribbs, Albert Cole.

Mr. and Mrs. J. A. Rhame of this
place and Mr. J. C. Rhame of Bishop-
ville are in Lake County, Fla., having
a big time, they say, eating ducks,
turkeys, deer and fish. They left here
nearly three weeks ago and expect to
return in the early part of next month,
or as soon as they grow tired eating
vealison steak, wild turkeys and ducks.
Everything quiet in Magnolia—cot-
ton sold at 11½ cents today, but only
a few will be benefitted by the fine
prices.

Partridge hunting is the order of the
day in this and the surrounding coun-
try, and it really looks like the dear
old bird will be exterminated. I have
never seen people go so wild over par-
tridge hunting. All classes and pro-
fessions are taking an unusual interest
in this sport. One young man from
Bishopville killed 74 partridges in one
day, and that was Mr. Eugene Smith
—the finest shot in the county.

CITY COUNCIL MEETING.

Harvin Street Side Track Ordinance
Adopted—Other Matters of Interest.

City Council held a regular meeting
at 8 p. m. Wednesday. Mayor Stuckey
and Aldermen Chandler, Dick, W. H.
Epperson, Finn, Hurst and Schwerin
were present. Aldermen Boyle and G.
F. Epperson were absent.

The minutes of Nov. 11th and 17th
were read and approved.

The ordinance granting to W. A.
Bowman and others the right to con-
struct and operate a railroad track
across Harvin street had its second
reading. Alderman Chandler offered
an amendment whereby the Licensees
are restricted to the use of the track
only while engaged in business as
merchants, bankers and warehouse-
men, and forbidding its use for gen-
eral railway purposes, or as a means
of reaching a freight or passenger depot.
Mr. Bowman being present, accepted
the amendment and council ordered
that it be made a part of the ordi-
nance.

Hon. T. G. McLeod appeared on be-
half of opponents of the ordinance and
reiterated his former arguments
against it. He declared that the citi-
zens whose property is to be affected
by the track are unalterably opposed
to its construction, even with all the
restrictions which have been imposed.
Some future Council might remove
the restrictions; and it is a precedent,
if granted to one there is no reason in
law or morals for refusing similar
privileges to others.

Mr. Bowman expressed the opinion
that no council could ever be elected
that would inconvenience citizens
more than may be necessary for the
general good of the city—and nobody
is going to be damaged by the track
anyway.

Dr. A. J. China, Messrs. W. G.
Stubbs, A. W. Crosswell and Dr. Wal-
ter Cheyne also protested against
adoption of the ordinance.

At a later stage of the meeting, the
ordinance was adopted and ordered
published by the following vote.

Yeas—Chandler, Stuckey, Hurst,
Dick.

Nays—Epperson, Finn, Schwerin.

The committee to which was refer-
red the application of D. A. Minor
and others for a street railway fran-
chise submitted an ordinance which
was read and discussed by Council and
Messrs. D. A. Minor, J. M. Law-
rence, L. D. Jennings and C. W.
Jeeler.

An extension of time for payment of
taxes without penalty was made to
December 15th. A penalty of 5 per
cent will be collected from December
15th to January 1st, 10 per cent pen-
alty during January and 20 per cent
from and after February 1st.

The Clerk was directed to prepare
bonds for reissue of \$8,000 due Janu-
ary 1st and to advertise them for sale
on Dec. 23rd.

An ordinance to prevent damage to
paved streets by harrows and other
implements and machinery, and to re-
quire repairs of streets by persons
making necessary excavations therein
for laying pipe, etc., was read adopted
and ordered published under a resolu-
tion suspending the rule which re-
quires two readings.

Messrs. C. P. and H. G. Osteen re-
quested that the street watering
trough and drinking fountain be re-
moved from in front of their stores on
West Liberty street because of the
crowd which is constantly using the
trough to the inconvenience of busi-
ness and the sloppy condition in
which it keeps the pavement. Coun-
cil ordered it removed to the corner of
Liberty and Sumter streets, under
supervision of Messrs. Schwerin, Ep-
pelson and Chandler.

The claim of Mr. J. I. Brunson for
\$15 damage done to his crop by haul-
ing clay across his field was referred
to the finance committee.

Mr. Schwerin asked permission to
cut down certain trees at the corner
of Sumter street and Hampton avenue.
The request was referred to Messrs.
Dick, Chandler and Epperson with
power to act. They were also request-
ed to ascertain if property owners at
that point would consent to widen the
sidewalk on West side of Sumter street
from Hampton avenue to Canal street.
Council then adjourned.

MANNVILLE P. O. RE-ESTABLISHED.

Congressman Lever Succeeds in Having
the Old Office Re-opened at Old Stand.

Asbury Francis Lever, the youthful
representative from the Seventh South
Carolina district, has just come off
triumphant in a contest with the Post-
office Department. The department
ordered the discontinuance of the post-
office at Mannville, Lee County, S. C.,
which was established more than a
hundred years ago, and the people of
that community impressed upon Mr.
Lever that his political fortunes
depended upon the recall of the order
of suspension.

Investigation disclosed that the post-
master was responsible for the suspen-
sion of the office. The old fellow had
held the place for nearly a generation.
He lived on a farm outside the village,
and only attended to the business of
the office when he had nothing more
important or interesting to do. It was
because of this state of affairs that the
office had been suspended. The depart-
ment was entirely willing to reestab-
lish the office if some one else were
placed in charge, but Lever's advice
from Lee County indicated that to oust
the old postmaster would cause a polit-
ical revolution.

The matter was finally adjusted by
the postmaster giving a pledge that he
would pay more attention to Uncle
Sam's business, and the office has been
reestablished with the same man in
charge.—Washington Post, Nov. 25.

COLORED METHODISTS MEET.

Annual Session of South Carolina Con-
ference Methodist Episcopal Church
Being Held Here.

The Rev. Bishop Earl Cranston, of
Portland, Oregon, called the ninety-
eighth session; thirty-nine since reor-
ganization, of the South Carolina
Conference of the Methodist Episcopal
Church, to order at 9 a. m., Thursday.

After devotional services, singing,
Scripture reading and exposition,
prayer by the Rev. J. B. Middleton,
the Nestor of the Conference, conse-
cration prayer by the Rev. S. S. Law-
ton, the Conference organized with
the following officers and assistants:
Secretary, J. B. Middleton, Wm. R.
A. Palmer, I. H. Fulton, W. S.
Thompson, James McEaddy; statisti-
cal secretary, J. S. Thomas, G. W.
Cooper, W. G. Valentine, I. L. Hardy,
C. H. Harleston; treasurer, W. R.
Jervay, J. W. Dore, F. L. Baxter, G. J.
Davis.

In addition to the usual committees
reporters were appointed for the vari-
ous papers.

Presiding Elders W. M. Hanna, J.
E. Wilson and J. L. Grice made their
sixth and last annual report; W. M.
Mouzon and Hickson their fourth
and C. R. Brown his second annual
report, all of which were encouraging,
showing prosperity along all lines of
church work, on the Beaufort, Spar-
tanburg and Charleston districts.

Dr. I. B. Scott, editor of the South-
western Christian Advocate, was in-
troduced and made a fine address in
the interest of his excellent paper.

Mrs. Dunton, wife of President L.
M. Dunton, read an interesting and
inspiring report of the work of Claflin
University at Orangeburg, which
ranks first among the literary and in-
dustrial colleges for the colored youth
of the country, and has opened with a
larger number of students than usual.

It was decided to hold a statistical
session at 4 p. m., the Rev. S. E.
Lowery to preside.

Thursday evening a large audience
assembled to hear the Rev. G. G.
Logan, D. D., of Mississippi, field
secretary of the Missionary Society,
of the Methodist Episcopal Church. A
resolution was passed looking to the
making of new districts.

The Rev. J. E. Wilson, presiding
elder of the Florence district, was pre-
sented with a handsome gold watch in
a magnificent speech by the Rev. G.
W. Cooper, on behalf of the ministers
of the district, also with a fine pneu-
matic rubber tire buggy, by the Rev.
E. J. Sawyer, in a similar speech on
behalf of the laymen of said district.
Dr. Wilson accepted these tokens in
beautiful and well chosen words. All
effective elders of the six respective
districts reported Missionary, Freed-
men's Aid and Southern Educational
Conference collections, having passed
on character.

The Rev. T. B. Neeley, LL. D., cor-
responding secretary of the Sunday-
school Union and Tract Society, who
travels about 40,000 miles a year in
addition to the editing of the litera-
ture of the two societies named. Dr.
Neeley made a complimentary men-
tion of Drs. R. E. Jones and C. C.
Jacobs, two field agents of color,
whose work is approved by the whole
Church. He said if we could average
five cents apiece, from our members,
we should have \$150,000. We are not
the Methodist Episcopal, North, but
the Methodist Episcopal Church.

Dr. Parr, of the Church extension,
spoke also eloquently of the work and
needs of this great Society. Dr. Neeley
spoke again at 4 p. m., after which a
meeting of the Conference claimants
was held. Messrs. A. J. Andrews, J.
W. Allman and J. H. Fordham were
elected lay; R. J. Palmer and J. F.
Green reserve delegates to the General
Conference.

Bennettsville, Nov. 26.—The jury in
the Henry Patrick case for killing his
wife, after being out one hour and a
half, brought in a verdict of guilty
with recommendation to the mercy of
the Court, which places him in the
penitentiary for life.

B. M. McCarey, mechanic at the Atlantic

"I can recommend Doan's Kidney Pills as a
sure backache cure. Before I used them my
back hurt me all the time and kept me awake
half the night and I would get up in the morn-
ing as tired as when I went to bed. I had a
dull pain right across my loins sometimes so
severe that I could not stand up straight and
after going to bed tired out and falling asleep
I would be awakened in the night with an awful
pain in my back which felt as though it would
break in half. I had no strength in
my back and would have to use both
hands to pull myself over. The kidney
secretions were dark, contained sedi-
ment and bothered me by making me get up
several times during the night. I used num-
bers of remedies and doctor's medicines and
put on liniments but it was no use for nothing
did me any good until I got Doan's Kidney
Pills. They certainly did and I can tell any-
one that they are a backache cure. You are
welcome to use my name as one who from
personal experience knows their value."
